Summerlin Egg Hunt

TRAILS PARK BALL FIELDS

Summerlin residents are invited to The Trails Park Ball Fields on March 19 from 1:30 to 3:30 p.m. for the annual Summerlin Egg Hunt Eggstravaganza. Egg Hunt will give your little ones an opportunity to scurry around The Trails Park in search of goodies, games and prizes that are sure to get things hopping for the entire family this spring. In addition, there will be visits by some very special guests. Everyone is sure to have an eggstra-special time.

Egg Hunt passes may be purchased in advance for $5 each (checks only made payable to The Summerlin Council) starting March 1. Day-of passes are $8 each and may be purchased starting at 9 a.m. at The Trails Community Center. Proof of residency is required. For more information, please call 702-341-5500.

Prom Dress Drive
FEBRUARY 29 - MARCH 9

Do you have a prom dress or suit you no longer need? Don’t let it sit in the back of your closet collecting dust. Donate it instead!

The Summerlin Council is partnering with Project 150 this prom season to collect new or gently used formal prom attire and accessories for disadvantaged or homeless high school age students. Donations will be accepted through March 9 and can be dropped off at the Trails, Willows and Gardens Community Centers. Contributions will be included in the Las Vegas Prom Closet formal wear distribution event held on March 12 at the Zappos campus.

The following items are currently being accepted: new or gently used formal dresses, suits, shoes, ties, purses, accessories, make-up, hair products, shaving kits, shoe polish, as well as gift certificates for restaurants, limos, flowers, dry cleaners, and prom attire rentals.

Project 150 is a non-profit organization serving more than 2,500 students from 49 school sites in Nevada with food, clothing, school supplies, hygiene items, shoes, and special requests. Its mission is to maximize resources and allow students to focus on achieving graduation.

For more information, contact The Summerlin Council at 702-341-5500.
Each month another 50 to 75 new neighbors join us in the Summerlin community. I emphasize neighbors because we are all in this together, sharing the same streets, parks, schools, houses of worship, businesses, and day-to-day community experiences. From my perspective it continues to be a special time in a great place; I hope you share the same feelings. As another Spring arrives, perhaps we can work to help improve upon things. Here are a few thoughts on how.

**Share Your Time and Ideas** – If you can, join the governance operation of your sub-association or master association. If holding a position is too time consuming, at least make a board meeting or two. Share your thoughts and ideas on how to possibly improve things in a positive manner. Your association meetings are essentially a group of volunteers trying to work through community and neighborhood challenges and issues. It's an ongoing opportunity for volunteer teamwork, productivity and progress. Help to make the most of it.

**Remember Everyone Is Your Neighbor** – Our homes, yards, and neighborhood streets are filled with everyday hustle and bustle. Continue to watch out for each other and be respectful that everyone is entitled to quiet enjoyment of their property. One’s own actions should not be impacting any fellow neighbor in a
negative way. This logic extends into our common areas. I am sorry to say that we encounter our share of needless property damage. Please remind your teenage children to treat our park amenities with respect. The senseless damage they may inflict is repaired out of your pocket. It also wouldn’t hurt to remind them that there are many fellow neighbors whose homes and yards are adjacent to active parks and streetscape areas. It is reasonable for these open space neighbors to expect a high level of activity adjacent to their property during normal hours, but teenagers hanging out late at night and causing private property damage due to irresponsible behavior is disruptive, avoidable, and wrong. It is important that our open spaces are used in a responsible manner and are safe for all to enjoy.

Community Watch – Unfortunately Summerlin is not immune to crime. Since we are all neighbors, the concept of neighborhood watch becomes a little more expansive. If you see a problem or issue anywhere in Summerlin please take the time to report it. Learn whom to contact for what so that the information gets to the right person as quickly as possible. Over 29,000 neighborhood homes helping to keep an eye out for each other can be a highly productive tool. As always, thanks for your help.

COMMUNITY CONNECTION

Calling All Water-Smart Landscapes

With established homes and new construction, Summerlin is bursting with masterfully-designed yards that demonstrate the beauty of water-efficient landscaping. If your landscape is one of Summerlin’s crown jewels, get the recognition you deserve. Enter your landscape in the 2016 Southern Nevada Landscape Awards.

Whether your landscape is high on esthetics and low on maintenance or a perfect spot to entertain friends and family, its water-saving design could earn you a regional praise. The Southern Nevada Landscape Awards, hosted by the Springs Preserve and Southern Nevada Water Authority (SNWA), accepts entries throughout the SNWA service area. So your win won’t be just a Summerlin win, it will be a Southern Nevada win.

Homeowners or professionals who own, designed or installed an attractive, water-efficient landscape can enter their pride and joy at springspreserve.org. The deadline to enter is May 2 and entry is free. Winners will be announced at a breakfast ceremony at the Springs Preserve in June.

Properties can be entered into one or more of the following categories: homeowner design, professional design, professional maintenance and/or community garden. Entries also may be considered for the Star Nursery Color Award, the Nevada Chapter of the American Society of Landscape Architects Award and the Wildlife Habitat Award.

Properties are judged on project creativity, overall design, technical merit and planting.

For more information on how to enter, please visit www.snwa.com.

Winner of a 2015 Southern Nevada Landscape Awards Award of Excellence, the Mason residence is located in Summerlin’s Mountain Trails neighborhood. Chapter of the American Society of Landscape Architects Award and the Wildlife Habitat Award.

BARKING DOGS

Living in a pet friendly neighborhood is great – that is, until your neighbor’s dog starts barking. To remedy this situation, first talk with your neighbor in a calm and friendly manner. If talking it out does not resolve the problem, contact the City of Las Vegas Animal Control at 229-6444. They will respond by sending a representative out who will attempt to notify the owner that a complaint has been registered and validate the complaint. If the owner is not at home, the representative will post a notice. After the third (3rd) complaint is received by Animal Control, the complaining party is requested to fill out and sign a verification form. At that time another neighbor/witness will be sought to substantiate the issue. If Animal Control receives sufficient information from the verification forms the information is then forwarded to the city attorney for action.

After you have notified Animal Control, contact your Summerlin Community Service Representative through www.summerlink.com. The Association will send the owner a letter about the issue. (Please be reminded that all complaints must be in writing). If the problem continues, the Compliance Process is followed. This could include a hearing and a fine if the Association is able to verify the barking from at least two neighbors.

While doggy doors are convenient, they can create problems for their neighbors. Pet owners may be unaware of the problem if the dog is barking while the owner is at work. As a courtesy to the neighbors, pet owners should not allow their pets free door access when they are not at home.

Dogs bark to alert their owners, or through boredom and anxiety. If the barking is coming from your dog, provide your dog with plenty of exercise and a stimulating environment. If you can’t be at home with the dog, consider using a daycare or dog-walking service so your dog is not alone for long periods of time.

Regardless of how well behaved a dog is, it is a City Ordinance that no person owning or having possession of any animal shall cause, permit or allow the animal to stray, run or in any manner be at large. Animals must be restrained at all times. Please contact Animal Control when you see dogs unrestrained, then notify your Summerlin Community Service Representative.

Working and communicating together as neighbors will go a long way in controlling this matter.

Summerlin® New Home Finding App Gets Upgrade

House hunting in Summerlin is just a tap away with Summerlin’s mobile app. The app, which can be downloaded for free to smart phones and tablets, allows users to see detailed floor plans and captivating photos of new homes in the community. This year, the app, which debuted in 2014, is re-launching with vivid graphics and an updated “Take a Tour” segment featuring photos and detailed descriptions of actively selling neighborhood amenities. Back-end enhancements provide for a quicker and smoother browsing experience.

“When we launched the mobile app a few years ago, it was the first of its kind in southern Nevada,” said Danielle Bisterfeldt, director of marketing for Summerlin. “Revolutionary for its time, the app was honored as ‘Best Website and Mobile App’ at the Southern Nevada Home Builders’ Silver Nugget Awards. Now, we are taking this award-winning app and tweaking it to provide users with an even more sophisticated experience.”

The app offers a variety of options that help narrow the search for your dream home. Featuring Summerlin’s nine homebuilders, it allows buyers to search for homes using criteria including builder name, home type, price range, number of bedrooms and location. It also allows users to review area amenities, create a list of their favorite floor plans, map neighborhood locations, connect directly with onsite sales agents and receive new neighborhood alerts on their cell phones.

“This state-of-the-art mobile application has proven to be a game-changer in the home search process,” said Bisterfeldt. “Home buyers and Realtors have already downloaded the app 6,000 times.”

Residents can also receive the latest information about Summerlin’s newest amenities and events by registering their email address with the Summerlin resident database, which can be found at Summerlin.com under the “Contacts” tab.

To view the app upgrades, users should download the new version by searching “Summerlin” in the app store. App users can register for customized features designed for home buyers and for Realtors.
